This By-law enables Municipal Council, after obtaining the recommendation of the Planning Advisory Committee (PAC), to assess the appropriateness of authorizing such a use based on the evaluation criteria set out herein and to impose such conditions of approval as Council may determine.

However, this By-law shall not apply to agricultural activities within the meaning of the Act Respecting the Preservation of Agricultural Land and Agricultural Activities (CQLR, c. P-41.1) in an agricultural zone established under that Act.

1.5 Severability

The Municipal Council of the Municipality of Grenville-sur-la-Rouge hereby declares that it adopts this By-law chapter by chapter, section by section, article by article, paragraph by paragraph, and subparagraph by subparagraph, so that if any part of this By-law is declared null and void by a court of competent jurisdiction, such decision shall not affect any other part of the By-law, unless the effect of such decision is to alter the meaning or scope of the By-law or any of its provisions.

1.5 Applications Subject to Approval, Permits and Certificates

Any application for a conditional use shall comply with the provisions of this By-law and shall be subject to the issuance of a building permit, an authorization certificate, or an occupancy certificate, as applicable. The terms, conditions and requirements governing the issuance of permits and certificates are set out in the Permits and Certificates By-law in force.
